# Kitchen regulations club school

## Consumables and food

The kitchen is rented without food, please bring your own food. The available consumables are the property of the Club School and may only be used for internal courses. Fridges are available for use. Please note: forgotten food will be disposed of after use of the kitchen.

## Coffee machines

If available, you may use the coffee machine free of charge. Coffee capsules are not included, you must bring your own. We will be happy to tell you which brand of coffee to bring. Alternatively, you can book our drinks and snack station (coffee, tea and water).

## Disposal and recycling

Waste bags and their disposal are included in the hire price. We ask you to deposit glass and PET bottles in the bins provided and we will take care of their proper disposal.

## Cleaning

The cleaning of the kitchen is not included in the rental price. Please leave the kitchen clean to minimise cleaning costs. Cleaning is charged at a rate of CHF 60 per hour. However, a minimum cleaning time of 2 hours will be charged.

## Emergency and hygiene

Each kitchen is equipped with a first aid kit and a fire blanket. Please read the posted emergency plan and the hygiene guidelines carefully before using the kitchen.

## Insurance and liability

We accept no liability for damage, loss or theft. The general terms and conditions and cancellation conditions of Migros Club School apply. Please report any defective equipment or materials to us.

## Volume

The kitchen is located in an educational centre, please ensure that the volume is kept to a minimum.

## Closure of the building

Please leave the kitchens by 21:45 at the latest, as the building closes.
